CERTIFICATE

BJB Autonomous College, Bhubaneswar has been using the examination software ACADEMIA, developed by The Freelancers, Bhubaneswar since the academic session 2009.

Work for four Semesters of the 2009 Batch and two semesters of 2010 batch has been successfully conducted. Secure subject Coding feature present in the software has been immensely useful to us.

The following reports have been very useful to us every semester:

- Admit Cards.
- CNR.
- Tabulation Register (TR).
- Mark Sheets.
- Abstract and Honours wise division breakup.

The software also contains Reports like

- Final Mark Sheet.
- Final TR
- Provisional Certificates.
- Merit List.
- Provisional Result List.
- Pass List etc.

which will be used after the sixth semester examinations are over.

Appropriate and timely services are provided by the Freelancers. Moreover no more outsourcing of examination work confirms confidentiality.
