To Whom It May Concern:

The Student management and examination software **Academia** developed by **The Freelancers**, Bhubaneswar has been successfully implemented in our college and the Admit card, CNR, Mark sheet, Tabulation Register, Provisional certificate etc. have been generated with ease. The generated certificates have also been issued to the students of the session 2006-09.

Overall the software is user friendly and The Freelancers has provided us with their prompt and quality service.
